Georgia Home Care License Readiness Checklist

Everything the Georgia Department of Community Health — Healthcare Facility Regulation Division will expect to find in place before it licenses a non-medical home care agency under Ga. Comp. R. & Regs. 111-8-65 — in one page, so you can tick it off before you apply and before any inspection. From AutoloomStudio, the makers of the Georgia policy and procedure manual.

Before you apply — and before any inspection

- [ ] Entity registered with the Secretary of State; IRS Tax ID; city/county business licence; licensed office with secure record storage and a telephone answered during stated hours and on call
- [ ] Governing body identified; resolutions passed; statement of responsibility and Personal Identification Affidavit ready; organisational chart
- [ ] GCHEXS facility account; satisfactory determination letters dated within 12 months for every owner, the administrator and every manager; registry and licensing-board checks dated before each GCHEXS application
- [ ] Administrator appointed after the determination, with job description, attestations and orientation evidence; acting administrator designated
- [ ] The seven mandated policies adopted and signed; change log started
- [ ] Description of services and types of clients with the geographic area and the certified-nurse-aide statement; Option A or B chosen for medically frail clients
- [ ] Training director for the 40-hour programme named or CNA/examination-only hiring decided
- [ ] At least two complete personnel files: registry check before GCHEXS; determination or grace-period log; baseline TB before the first day; qualification route; competency checklist before assignment; orientation with the four subjects
- [ ] Supervisors appointed with the qualification determination recorded; on-call rota staffed — and, for Option B, the nurse supervisor reachable
- [ ] Insurance certificates (general and professional liability; workers' compensation; hired and non-owned motor with medical payments); bonding if unlimited access to client funds is ever authorised; driver approvals
- [ ] Client packet: service agreement with the ten items and Schedule A; rights notice with the eleven items, the supervisor, the complaints designee and the Department's address and Complaint Intake number completed; service plan form; emergency sheet; home folder set
- [ ] Client record system; tracker for the agreement, rights notice, plan and visit deadlines
- [ ] Complaint, change-in-condition, incident, APS and discharge forms ready; the administrator and supervisors know the APS number (1-866-552-4464) and the Complaint Intake number ((800) 878-6442)
- [ ] QI log opened; annual self-audit scheduled; calendar started with licence, fee, insurance, training, screening and visit dates
- [ ] Document map completed; everything producible without unreasonable delay
- [ ] Marketing and website describe the Agency only as a licensed private home care provider offering personal care and companion or sitter services, and appear only after the licence issues

44 policies | 50 forms | Editable Word + PDF

Every line on this checklist has a written policy and a form behind it in the Georgia Private Home Care Provider Policy and Procedure Manual — Non-Medical Home Care Edition. Written to the text of Ga. Comp. R. & Regs. 111-8-65 with every policy cited and the rule's own words in each one, a crosswalk from every requirement to the page that meets it, the application guide, and a "what to watch" layer for the points the rule leaves open.

Your checklist offer: 20% off the manual with code CHECKLIST20 (US$59 → US$47.20). Click to get it with the code already applied:
